COLUMBUS BALLROOM

The **Columbus Ballroom** occupies the full **Columbus Conference Center** and can accommodate up to 700 guests, ideal for conventions, banquets, receptions, meetings, trade shows, seminars & social events. The ballroom has retractable room dividers to create three meeting rooms: the Pinta, Nina, & Santa Maria.

- High speed wireless internet
- State-of-the-Art acoustics
- Adjustable lighting
- Individual climate control for each room
- Audio/visual equipment
- Full catering services
- Access doors for loading trade show equipment
- Complimentary guest parking

Our **sound system is one of the best** hotel combination sound systems in the state utilizing separate equalization for each room and for each microphone input. The Columbus Ballroom is equipped with six wall XLR microphone inputs with the capabilities of up to 24 microphone inputs(optional), pull down video screens, sound system interface, computer graphics projection, wireless high speed internet and internet data ports.
